Chapter III

COIN VANISHES

Standard Vanish · Simple Vanish · Over the Top · The Tunnel Vanish · Thumb Palm Vanish · The Drop Vanish · The Bobo Coin Vanish · The Slide Vanish · The Illusive Coin Pass · A Coin Vanish The Pinch Vanish · Gone · The New Era Coin Go · The Flyaway Coin Behind the Back · The French Drop · The Reverse French Drop · The Elusive Silver Dollar · The Wrist Watch Vanish · The Pulse Trick The Cranium Vanish · Vanish with the Aid of a Handkerchief · The "Heads and Tails" Vanish · Vanish for Several Coins · A Trio of Vanishes

It is impossible to become a good coin conjurer without mastering several methods for vanishing a coin. Here, combined with some of the old standbys, are the best modern methods, contributed by leading coin manipulators.

Standard Vanish

This is given the above title because it holds a high place in my repertoire of coin vanishes. I use this one as much as I do any other because it is so practical and easy to do under almost any conditions.

The coin rests near the ends of the two middle fingers of the left hand.
